

Project 8: Proposal for final image concept

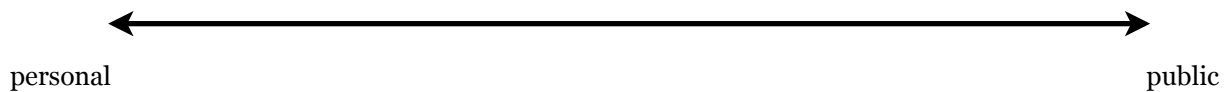

Map out your process of the final project and include process steps to move you towards the end product/image. Include at least three checkpoints to help keep you on track. (If you need more space attach a separate sheet to this document)

How did you go about deciding on your idea and researching it? What inspired it?

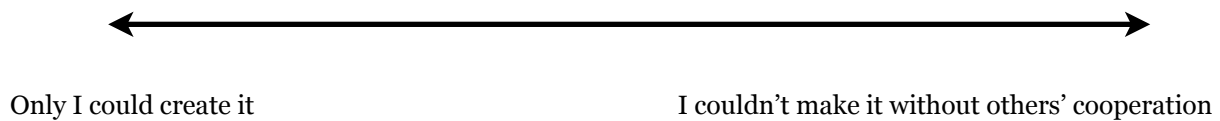

Will your imagery be generated by (choose more than one as needed)

- shooting new images
- heavy Photoshop collage
- vector graphics
- typographical composition
- drawing/painting
- found/scanned images
- other _____

Mark an X to indicate how you plan to source content in relation to memory, experience, media, intuition, data, etc. (indicate multiples if necessary)

How authored will your image(s) be?

Describe an ideal audience and placement for your project.

Describe how your project addresses images in popular culture in relation to semiotics and iconography.
